

# blueICE™

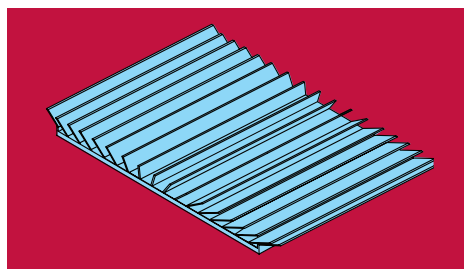

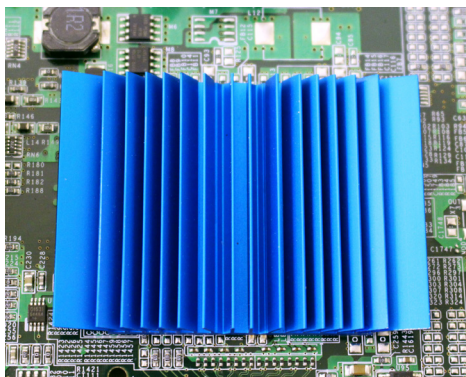

weight as low as

**4** grams

height as low as

**4** mm

**ultra low profiles**

- blueICE™ heat sinks feature an ultra low profile for tough-to-cool and space constrained applications
- Low profile heights range from 4 to 7 mm
- High performance heat sinks designed for low air flows
- Ideal for telecomm applications where space is limited
- Extremely lightweight, weighing as low as 4 grams
- Comes pre-assembled with high performance TIM
